

AVALANCHE TRAINING

2018-2019

**YOU
WILL
LEARN** {

Why local knowledge of a riding area isn't enough to keep you safe
 How to use your snowmobile's power to your advantage.
 Five key questions to ask when organizing a rescue.
 Whether your riding partners are assets or liabilities.

Photos & video are often taken during our training sessions. If you are photographed or videoed, do we have your permission to use such images and film footage in Zac's Tracs newsletters and internet or print based marketing and training materials? Yes No

Please Note: A Release of Liability must be signed before participating in any program.

IMPORTANT: Winter mountain activities involve many risks, dangers and hazards. Participants are expected to arrive prepared with standard backcountry emergency supplies for winter, mountain travel (for gear list visit: ZacsTracs.com). Participants must conduct themselves in a manner that promotes safety for participants, instructors, public and themselves or may be asked to leave the training activities. Riders are expected to ride sober and alert. Guardians are fully responsible for minors in their care. Avalanche training is an essential first step to backcountry travel but must be combined with ongoing learning and mentorship for effective risk management.
